MEMORANDUM FOR: Chief, Central Travel Branch

INFO : SSA/DDA

FROM :   
Chief, NE/Support Staff

25X1

SUBJECT : Reduced Per Diem When TDY Quarters/Meals  
Are Furnished

1. We have discussed with the SSA/DDA the question on quarters and meals furnished by a host government. Apparently there is no policy within the DDO or elsewhere other than reference memorandum which is applicable only to the NE Division. The ODCI/SS certifying officer advises that their traveler, when not traveling on an actual expense reimbursement basis, are allowed full per diem even if quarters and meals are furnished, so long as these are not provided by the U.S. Government.

2. Based on the above information, the reference memorandum is cancelled. However, we wish to continue to make a case by case determination on per diem for travelers staying more than two or three days in quarters provided by the host government.
